

# Digital Humanities and Artificial Intelligence

Interreg workshop for students in Wrocław

31<sup>st</sup> May–2<sup>nd</sup> June 2023

As part of the Interreg project, we are pleased to invite students to participate in a workshop organized jointly by the University of Wrocław and Palacký University Olomouc.

The workshop will be held at the Institute of Information and Media Sciences of the University of Wrocław between 31<sup>st</sup> May and 2<sup>nd</sup> June 2023.

## Programme

*Open Research Data in Humanities* – Dorota Siwecka (UWr)

*General introduction to semiotics* – Anna Cisło (UWr)

*Large bibliographies in the practice of Digital Humanities* – Adam Pawłowski (UWr)

*Philosophy of Mind* – Lukáš Zámečník (UPOL)

*AI today: how synthetic content impacts the work of creative professionals*

– Auli Viidalepp (UPOL)

*The Computer and the Brain: Complicated role of von Neumann in the history of A.I*

– Barbora Jurková (UPOL)

*The basics of correcting a face photo with Photoshop tools (workshop)*

– Rafał Werszler (UWr)

*Ethical and effective utilization of GPT* – Ondřej Dohnal (UPOL)

The workshop will also include a team building meeting and a city tour.

Students wishing to attend are asked to fill out the [registration form](#), which will be opened on Friday, May 26 at 15:00 and closed on Monday, 29 at 9:00. Since the number of places at the workshop is limited, participation in the event is determined by the order of applications.

[Institute of Information and Media Studies](#)  
[pl. Uniwersytecki 9/13, Wrocław](#)  
Room 205 and 304

All lectures will be conducted in English.
